LEXMARK

THE WINNERS

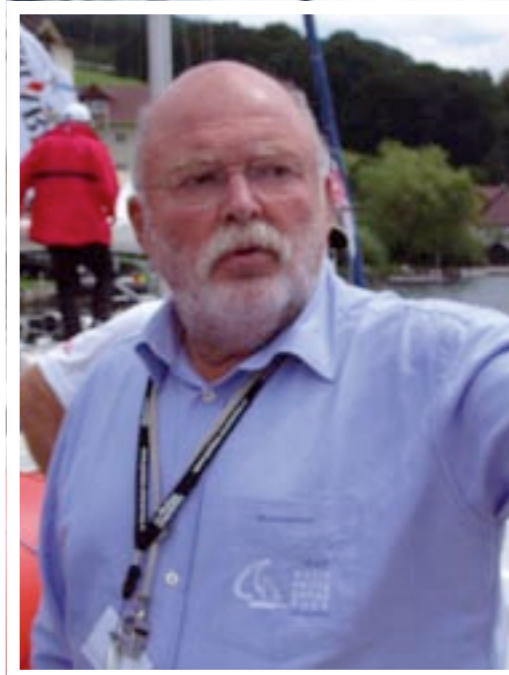

**Thanks from the
President of the UYCM
Anton Bayrhammer**

“This was the biggest race UYCM ever organised. The wind-gods appreciated the hard effort of all volunteers and sent fantastic wind, so we saw great racing all week!”

**Thanks from the
Head of Racing
Helmut Jakobowitz**

“Everybody sailed hard but fair. Discussions between race committee and sailors are part of the game, but I enjoyed watching such competitive sailing!”

**Thanks from the
Head of Organisation
Michael Gubi**

“UYCM is not know as the most sporty Club in Austria, but from now on, people have to change their minds. Thanks to everybody who helped to make this happen!”

After another day on the water and a race in typical Mondsee conditions, 2005 has it's World Champions. While NED 322's boat was allready sitting on the trailer the race for the medals was on. In the end another dutch Boat (NED 328) took silver and the US (USA 329) went away with bronze.

The Austrians failed to sail into the medals, but I am sure this won't stop them of partying all night. The girl's gold went to USA 337, silver to NZL 4 and Russia took a well deserved bronze. The fight for silver was quite close. Only three point separate the two. Congrats to all the winners!

**Thanks from
MOONSAILOR**

I am afraid it is time to say goodbye. It was great fun for me to meet all of you. I have to appologize for all the bad jokes, and for all these terrible spelling & grammar mistakes. Hope to see you on the water soon!

Best dressed

The extreme corrupt jury of MOONSAILOR elected this man to be the best dressed sailor. MOONSAILOR will not accept any critics.

Winner's statements

NED 328:
“I told you we gonna make it!”

USA 337:
“Two race wins and gold - what a week!”
